

IMPORTANT INFORMATION

NeoFax® Expanded
November 5, 2014

This information is an update to the notification regarding NeoFax® posted/sent on October 31, 2014

The issue with the NeoFax® CAFFEINE CITRATE monograph will be resolved Tuesday, November 11, 2014. A member of our product support team will contact you to schedule the deployment of the patch for your facility. Once this patch is installed, you can resume use of extemporaneous compounding in the CAFFEINE CITRATE monograph.

We anticipate the mobile app update will be in the app store late November, 2014.

Ensuring the safety of our products is our highest priority. We apologize for any inconvenience this may have caused.

If you have any further questions, please do not hesitate to contact us:
